PROJECTS

Fake News Detection

November 2021 - January 2022

This project was been done to minimize the issue of spread of Fake News. It is Machine Learning Application which has been built to identify Fake news and Real news.
Implemented with supervised Machine Learning (Python).
Developed using Libraries:

- Scikit learn
- Pandas
- NumPy
- Matplotlib
- Re (Regular Expression)

Role:- Data Pre-Processing, Selecting Estimator, Deployment
Link:-https://github.com/sahebdatas/FAKE-NEWS-DETECTION-ML
Click Here for a DEMO

Stock Price Prediction

March 2022 - June 2022

This program is a Deep-Learning Application which uses web scraping of stock data and an artificial recurrent neural network called Long Short Term Memory (LSTM) to predict the closing stock price of a corporation, using past 60 days stock price.
Developed using Libraries:

- Scikit learn, Tensorflow, Keras
- Pandas, Pandas_Datareader
- NumPy
- Matplotlib, Seaborn

Role:- Data-Collection/Pre-processing, Model Selection, Deployment
Link:- https://github.com/sahebdatas/stock_price_prediction

CERTIFICATE

Python with Machine Learning | TechTree (Summer Training)
July 2019 - August 2019 ☑

Business Analysis and Data Mining Modelling Using R | NPTEL
January 2022 - April 2022 ☑

DECLARTION

I am keen to continue my career and prepared to work hard in order to achieve my organization objectives and I hereby declare that the information furnished above is true to the best of my knowledge.

SKILLS

Programming Language

- **Python 3**
- **R (Basics)**
- **Java (OOP's)**
- **C++**
- **C**

Data Science Technology

- NumPy, Pandas, Matplotlib
- Scikit-Learn, Tensorflow, Keras
- Jupyter Notebook
- Regex
- NLP (Natural Language Processing)
- MySQL
- R-Studios (Basics)
- MS-Excel (Basics)

Tools

- VS-Codes
- Anaconda/Mini-conda
- R-Studios
- Git/Github

Soft skills

- Ability to work independently or with a team.
- Good Communication
- Knows how to google to get things done.

EDUCATION

B.P Poddar Institute Of Management and Technology (MAKAUT)
Kolkata — *MCA*

August 2020 - July 2022

DGPA: 9.65 ☑

George College (MAKAUT)
Kolkata — *BCA*

August 2017 - July 2020

DGPA: 7.41 ☑

K.V NO:-2 (CBSE)

Ishapore :—
Higher Secondary Education
March 2017 | Percentage – 57.8% ☑

Secondary Education
March 2014 | CGPA- 5.6 ☑

LANGUAGE

English, Bengali, Hindi
